

Traveling Miuca

Hello from your traveling chef friend!

My name is Miuca, and I'm on a mission to Measure, Mix, Make
& Munch my way around the world!

Can you show me what you love to eat or cook? I was hoping you
could take me to your kitchen or a favorite restaurant.

Do you have any allergies or special foods you'd like to swap
ingredients in?

I'd love to bring back a recipe, a fun food fact, or even a photo
of our adventure.

Thanks for helping me munch around the world!

Your hungry helper,
Traveling Miuca
